Transfers

The following locations are designated as transfer locations: DTC, Essex Amtrak Station, Champlain Mill, and Walmart. GMT cannot coordinate transfers at other locations; these are at a rider's own risk.

Buses can be held no later than five minutes past their scheduled departure and will depart once connecting passengers are on-board. Note: GMT cannot hold buses for transfers that operate on 20-minute service.

Holidays

There is no bus service and GMT offices and facilities are closed on the following holidays: New Year's Day, Memorial Day, the Fourth of July, Labor Day, Thanksgiving, and Christmas. GMT operates a shortened schedule on Christmas Eve. Please contact us at 802-540-2468 for more information.

ADA and Special Services

Boarding and Medical Equipment

Passengers with disabilities are afforded the time they need to board and disembark the bus. Many buses can also be lowered to make it easier to enter and exit. Passengers with respirators, concentrators or portable oxygen may bring these items on the bus.

Wheelchair Access

All GMT buses are equipped with wheelchair lifts/ramps and two or more spaces to accommodate wheelchairs up to the weight capacity of the lift/ramp. Bus operators will operate the lift/ramp and secure you and your wheelchair in the tie-down area.

Paratransit Service

Curb-to-curb lift-equipped vans are available for those who cannot use the regular bus service. For information and to apply for eligibility, please call 802-540-2468.

Hearing and Sight Services

Passengers can contact GMT through the Vermont Relay System by calling 711. Bus map & guides in large print and Braille are available upon request. Please call 802-540-2468 or toll-free at 866-864-0211.

Bike Racks

Bike racks are available on all GMT buses for free, on a first-come, first-served basis, and hold a maximum of two bikes. A spring-loaded clamp holds each bike securely and the bike's frame does not touch the bus or other bikes in the rack. Passengers are responsible for loading and unloading their own bike. Children's balance bikes, folding bikes and scooters are allowed on board the bus, provided they can be kept out of the aisle.

PASSENGER CODE OF CONDUCT

The following code of conduct will be enforced on board buses and at all GMT facilities to ensure that all passengers have a pleasant experience while using our services.

For your safety and good health, smoking, including e-cigarettes and vaporizers, is prohibited. Staff shall inform passengers in a courteous, but firm manner that smoking of any kind is prohibited on GMT property.

Federal regulations prohibit the operation of any bus with passengers standing ahead of the white line.

Passengers are prohibited from disturbing other passengers and the driver. Staff should courteously request that the offending action cease. Examples of such disturbances include, but are not limited to: excessive noise, throwing objects, physical violence, offensive behavior and speech, public intoxication, and harassing behavior.

Articles which, because of their size or the nature of their contents, may be dangerous to passengers shall not be allowed on GMT property. Articles prohibited include but are not limited to:

- > Car batteries
- > Gasoline, kerosene or any other flammable liquid
- > Weapons, including but not limited to guns or knives
- > Illegal drugs
- > Open containers of alcohol
- > Animals, other than service animals for the disabled, except those animals that can safely be carried in a closed and secured bag or carrier
- > Any article that cannot safely be held by a passenger or stored underneath a seat that could have the potential to hurt another passenger if it were to collide with that passenger during an unscheduled stop

In an effort to keep buses clean, passengers are prohibited from having uncovered drinks and messy foods on the bus. Drinks with sealed lids are permitted given that you take the container with you when you leave.

Passengers are prohibited from soliciting the sale of goods and services on GMT property.

Passengers are required to be wearing appropriate attire while on GMT property (i.e. shirt, shoes, etc.). Patrons that do not have proper attire will be removed from the property or denied access to the property.

For your safety, passengers are prohibited from throwing objects from the bus, or sticking anything, including body limbs out of the bus window.

It is a serious health risk to all passengers to allow patrons whose bodily fluids are exposed to ride the bus or use facilities. Passengers who are experiencing this condition will be removed from the property or denied access to the property. This includes, but is not limited to bodily eliminations, spitting and blood.

Passengers are prohibited from performing any personal hygiene task on GMT property (i.e. Clipping fingernails, toenails, putting on perfume, etc.).

Passengers are required to pay the proper fare for all transportation.

Passengers may not place advertisements on the inside or outside of buses or facilities, nor may they remove or deface those placed on GMT property by authorized representatives of the company.

Passengers are prohibited from taking up multiple seats when the bus is nearing capacity. Drivers will inform passengers in a courteous, but firm manner to move their belongings to their lap or the underneath of their seat.

Passengers are prohibited from playing musical devices on GMT property, unless headsets with reasonable volume are being used.

Designated seats at the front of the bus are reserved for seniors and persons with disabilities. We strongly encourage passengers to surrender these seats to those customers when they board or when asked to by the driver.
