Board Committee Reports
Finance
- No significant updates.

Operations
- Working on performance dashboard.
- Discussed paid time-off agreement, supported by board.
- Updating face-mask policy.

Justice, Equity, Diversity & Inclusion
- Drafted and reviewed standing committee document, which will likely need approval by the Board of Commissioners.
Justice, Equity, Diversity & Inclusion (JEDI) Standing Committee Policy (Action Item)

All proposed policy below, pertaining to the JEDI Standing Committee, is proposed until approved by the Board of Commissioners.

- Committee Chair to be appointed by the Board Chair.
- Committee members to be appointed by the Committee Chair, at the recommendation of administrative or union staff.
- Advisory Committee members to be appointed by the Board Chair, at the recommendation of Standing Committee members.
- Terms not limited in number, but members may only serve three consecutive terms.

**Commissioner Bohn:** Has there been consideration regarding staggering of terms for initial members, so as to prevent simultaneous conclusion of all members’ terms?

**Commissioner Polyte:** We may stagger terms at a later date. **Commissioner Davis:** Term-staggering may occur naturally, for the first group of members, as some prematurely conclude their term.

**Commissioner Spencer:** How will the Committee’s work be communicated to the Board and to the Public? **Commissioner Polyte:** As a standing committee, its work would be discussed in monthly board meetings and have a subsection on GMT’s website. Additionally, the Committee would periodically hold open-house events for the public to provide feedback and ask questions. The public-meeting portion would be required per the GMT committee charge.

**Commissioner Dimitruk:** Would GMT need to amend bylaws to officiate the committee? **Jon Moore:** Unsure, but will look into it.

**Commissioner Dimitruk** provided a motion to adopt the JEDI Standing Committee policy and update bylaws as needed, as well as replacing the word “shall” with “may” in relation to which individuals should serve as Committee Secretary. **Commissioner Bohn** seconded, and the motion passed without opposition, abstention, or further discussion.

FY20 Audit Presentation & Discussion (Action Item)

- Joshua Quinn outlined findings from the audit performed for Fiscal Year 2020 (FY20).
- Unrestricted liquidity is worth roughly 30 days’ worth of operating expenses.

**Commissioner Waninger:** Why did SSTA lease payments rise? **Nick Foss:** Varies based on the number of lease vehicles to SSTA.

**Commissioner Bohn:** It may be difficult to raise unrestricted net position. **Nick Foss:** Agreed. Do not want it to be too large, because it may create local-match pushback.

**Ross MacDonald:** Much funding is provided up-front, which can help for 60-day period.

**Commissioner Bohn** motioned to approve FY20 Audit. **Commissioner Davis** seconded. The motion passed without opposition, abstention, or further discussion.
Purchasing Policy Update Presentation & Discussion (Action Item)
- Matthew Kimball outlined proposed changes to GMT’s purchasing policy.
- Commissioner Dimitruk motioned to adopt the proposed changes. Commissioner Spencer seconded, and the motion passed without objection, abstention, or further discussion.

Paid Time-off (PTO) Policy Update Presentation & Discussion (Action Item)
- GM Moore outlined proposed changes to GMT’s paid time-off policy.
- The changes are intended to prevent employees from accumulating large amounts of time-off to cash out at a later date. Rather, the policy encourages employees to use their paid time-off when they are sick, as well as to maintain a healthy work/life balance.
- Up to 60 hours could be cashed out.
- Potential cash-out restrictions for employees who do not leave in good standing.
- The City of Burlington and Marble Valley Regional Transit District (Rutland) were peer agencies evaluated when determining potential policy changes.
- Commissioner Wallis motioned to approve PTO policy update. Commissioner Bohn seconded.

Additional Discussion:
- What is the relation between accrued sick time versus disability insurance? Trish Redalieu: Employees become eligible for short-term disability eligible after using seven (7) consecutive days of sick leave. While using short-term disability insurance, employees may use PTO to backfill the 40% of their income not covered by short-term disability.
- Commissioner Dimitruk: What happens if the time is not used? Can unused time be converted to sick time? Jon Moore: Cap of 240 hours for sick time conversion, which would have no cash value.
- Nick Foss endorsed the plan.
- Commissioner Spencer: Could Jon and Trish please update on staff-level conversations re: this proposal? Jon Moore: No staff concerns voiced thus far.
- Commissioner Wallis: When the board adopts changes to staff policies, does it notify staff afterwards, or is the process more interactive? Jon Moore: Notify staff after changes have been approved.
- Commissioner Spencer: Should staff be provided with a time period in which to provide feedback on these proposed policy changes, before the board adopts them or requests modification. Jon Moore: Perhaps, though this proposal has been in the works for several years. The intended implementation date would be the start of Fiscal Year 2022, on July 1, 2021.
- Commissioner Dimitruk: Would it be more appropriate for the Board to endorse the proposed policy, rather than adopting it? Jon Moore: Currently, all employees are eligible for 120 hours of paid time-off per year. If the Board chose to endorse the policy instead of approving it, it should vote on the policy at March meeting.
