In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. §
CCTA General Contract Provisions

REQUEST FOR PROPOSALS (RFP)  
TO PROVIDE  
LEGAL SERVICES  
ISSUED BY THE  
CHITTENDEN COUNTY TRANSPORTATION AUTHORITY  
dba GREEN MOUNTAIN TRANSIT  

May 26, 2017

I. INTRODUCTION

The Chittenden County Transportation Authority dba Green Mountain Transit (GMT) is requesting proposals from qualified firms for the provision of legal services for its transit system.

GMT is a public authority which operates the public transportation system providing fixed route transit services to towns in Chittenden County, three commuter ‘Links’ that connect Chittenden County to Montpelier, Middlebury, and St. Albans, and rural transit services in parts of Washington, Lamoille, Grand Isle, Franklin and Orange Counties in Central Vermont. GMT provides paratransit services for citizens with disabilities in their respective service areas, as well as other transportation services. Both rural and urban services are financed by a combination of federal, state, and local financial assistance and as such are subject to the laws and regulations of the funding governments.

GMT currently uses the services of two legal firms on a regular basis. One firm is involved primarily with Labor Law. Another firm primarily handles Employment Law, Permitting, Contracts, Litigation, and other services. The firms also provide advice outside of their general areas. The current arrangement is successful, and there is no requirement that GMT retain any particular number of firms.

In this RFP, GMT is seeking to retain legal services as outlined below. In the case of a direct or appearance of a conflict of interest or for any reason GMT deems fit, GMT may retain the services of the other firm under contract or contract with an additional firm.

II. SCOPE OF SERVICES

The listing of services required is organized under two headings. The first, listed as A) is for Labor Law. The second, listed as B) is for Employment Law, Permitting, Contracts, Litigation, and other legal services. All firms that respond must be licensed to practice law in Vermont and have experience and expertise in the areas noted.

A. Labor Law

Proposing firms shall have experience and expertise in the following areas:

- Union procedures
B. Proposing firm shall have experience and expertise in the following areas:

- Equal Employment Opportunity
- Hearings of the Unemployment Commission
- Personnel policies and laws
- Environmental laws, rules and regulations
- Construction law
- Municipal Law
- Real estate development and management issues
- Local, state and federal laws, rules and regulations pertaining to public entities
- Federal Agency Grant Recipient regulations compliance (familiarity with federal ADA law as it applies to transportation a plus)
- Contracts
- Litigation

If requested by GMT, Contractor will retain as subcontractors other counsel, or experts in related fields, to assist in meeting our needs. GMT will be billed at actual cost of this additional counsel with no additional fees or mark-up.

III. PROPOSAL CONTENTS

A. A brief description of the firm or person submitting the proposal.

B. A representative, partial listing of current clients with particular preference to those requiring services similar to those listed.

C. The resume of the primary attorneys, as well as the resumes of other attorneys who may be assigned to work with GMT.

D. A description of how the firm and/or individuals meet our needs as expressed in the Scope of Service. This section of the proposal should not exceed three (3) typed pages.

E. GMT may require that their attorneys maintain a local telephone number which, during normal working hours, is answered by a human being. If a “voice mail” system is used during normal business hours, it shall be designed in such a way that a caller has the option, at any time during the call, to speak with and leave a message with a human being. A section of the proposal should describe the telephone system of the firm and note how the system will comply with the requirements noted above.

F. Rate proposal as outlined in section VIII. Rates submitted are firm for the entire length of the agreement (five (5) years), unless changes requested in writing are approved by GMT.
IV. GUIDELINES FOR SUBMITTING PROPOSALS

Five (5) copies of each firm’s proposal must be received at GMT by **2:00 p.m. on June 23, 2017.** Proposals should be addressed to:

Ms. Cheryl Whitaker  
Grants and Procurement Coordinator  
Green Mountain Transit  
15 Industrial Parkway

The outside of the package should be clearly marked with the words “Legal Services Proposal.”

V. TERM OF AGREEMENT/COMMENCEMENT OF SERVICES

The term of this agreement is five (5) years beginning approximately July 1, 2017. (The award letter will specify the exact beginning date.) The term is subject to other terms and conditions attached to this request for proposals. An award letter will be mailed from GMT to chosen firms or individuals which, along with this Request for Proposal and the Contractor’s proposal, will become the contract.

VI. EVALUATION CRITERIA

The following criteria will be used in evaluating proposals:

- Experience and expertise of proposed attorneys 30 percent
- Relevant overall experience and expertise of the firm 30 percent
- Documented specialized expertise in governmental issues 25 percent
- Rate system and Pricing 15 percent

VII. SELECTION

The selection of the firm or firms shall be based upon the most responsible and responsive proposal in accordance with the evaluation criteria for this request for proposals. This is a non-exclusive arrangement and GMT may award each listing of services, a subsection of the listing of services, or additional services, to more than one firm initially or after initial award as its interests dictate. Upon publication of this request for proposals, contacts between proposers and GMT seeking clarifications of this proposal request shall be required to be in writing and sent to Cheryl Whitaker, Grants and Procurement Coordinator. No telephone contact seeking clarification regarding this request for proposal is permitted. The use of email or fax in place of mailed correspondence is acceptable. GMT will provide written response of clarification requests to all persons and/or firms who have received the specifications for this request for proposals.

GMT reserves the right to reject any or all proposals, or to accept any proposals, or to waive any informality in any proposals, or to withhold the award if deemed in the best interest of GMT.

19. Default and Termination

a. Termination for Convenience

CCTA may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in CCTA’s best interest. The Contractor shall be paid its fees or its costs, and profit on work performed up to the time of termination, but no unearned profit or fees on work not yet performed. The Contractor shall promptly submit its termination claim to CCTA to be paid the Contractor. If the Contractor has any property in its possession belonging to CCTA, the Contractor will account for the same, and dispose of it in the manner CCTA directs.

b. Termination for Default

If the Contractor does not deliver supplies in accordance with the contract delivery schedule; or if the contract is for services, the Contractor fails to perform in the manner called for in the contract; or if the Contractor fails to comply with any other provisions of the contract, CCTA may terminate this contract for default. Termination shall be effected by serving a notice of termination on the contractor setting forth the
manner in which the Contractor is in default. The contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract, offset by any damage incurred by virtue of Contractor’s default.

If it is later determined by CCTA that the Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Contractor, CCTA, after setting up a new delivery of performance schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.

c. Opportunity to Cure

CCTA in its sole discretion may, in the case of a termination for breach or default, allow the Contractor 30 days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions

If CCTA elects to give the Contractor an opportunity to cure and Contractor fails to remedy to CCTA's satisfaction the breach or default or any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from CCTA setting forth the nature of said breach or default, CCTA shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude CCTA from also pursuing all available remedies against Contractor and its sureties for said breach or default.

d. Waiver of Remedies for any Breach

In the event that CCTA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by CCTA shall not limit CCTA's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

20. Clean Water Requirements

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. The Contractor agrees to report each violation to CCTA and understands and agrees that the CCTA will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

The Contractor also agrees to include these requirements in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by FTA or CCTA.

21. Clean Air and Excluded Facilities

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. The Contractor agrees to report each violation to CCTA and understands and agrees that CCTA will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

The contractor also agrees to comply with the provisions of 40 CFR Part 15 which prohibits the use of facilities included on the EPA list of violating facilities.

The Contractor also agrees to include these requirements in each subcontract exceeding $100,000 financed in whole or in part with assistance provided by CCTA.

22. Debarment (Suspension from Gov’t Purchases)

1. By signing and submitting this bid or proposal, the prospective lower tier participant is providing the signed certification set out below in Attachment 13.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, CCTA may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to CCTA if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized in writing by CCTA.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction", without modification, in all lower tier covered transactions (subcontracts) and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non Procurement List issued by U.S. General Service Administration.

8. Nothing contained in the foregoing shall be construed to require establishment of system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to all remedies available to the Federal Government, CCTA may pursue available remedies including suspension and/or debarment.

10. Contractor must complete Attachment 13 and submit it to CCTA with the bid or proposal.

11. Any Subcontractor whose total payments from the prime contractor, may exceed $25,000 over the course of this contract, shall also complete Attachment 13. The prime contractor shall be responsible for obtaining this documentation and for submitting it with the bid or proposal.

23. Breaches and Dispute Resolution

Disputes - Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the authorized representative of CCTA. This decision shall be final and conclusive unless within [ten (10)] days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to CCTA. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of CCTA shall be binding upon the Contractor and the Contractor shall abide by the decision.
CCTA Special Contract Provisions

Performance During Dispute - Unless otherwise directed by CCTA, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

Claims for Damages - Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the other party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury of damage.

Remedies - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between CCTA and the Contractor arising out of or relating to this agreement or its breach will be decided in Chittenden Superior Court or the United States District Court for the Vermont District.

24. Disadvantaged Business Enterprises – Purchases other than Revenue Vehicles

CCTA has an active DBE program required and authorized by the State of Vermont. CCTA attempts to hire contractors and subcontractors that represent the community that CCTA serves. A DBE is described as a small business concern owned and controlled by socially and economically disadvantaged individuals.

No Discrimination
The Contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as CCTA deems appropriate.

The Contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 15 days from the receipt of each payment the Contractor receives from CCTA. The Contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractor’s work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of CCTA. This clause applies to both DBE and non-DBE subcontractors.

Sanctions/consequences of noncompliance with the prompt payment clause may include:

1. Requiring documentation of all payment to subcontractors for all previous payments from CCTA to the Contractor before any future payments from CCTA to the Contractor are made.
2. Termination of contract for Default
3. Inability of Contractor to bid on any future CCTA contracts.

CCTA will ensure that the prompt payment clause of the contract is enforced by:

1. Requiring Contractors (in sub-contracts in excess of $10,000) to provide subcontractors with all contract provisions, including the prompt payment provision to ensure that subcontractors are knowledgeable of the prompt payment requirement.
2. Because our contract requires prompt payment by the prime to the sub, the sub is entitled to prompt payment. Because subcontractors will be aware of this right, and it is in their greatest financial interest to assure that this right is respected, we believe it is reasonable to expect that subcontractors not receiving prompt payment will contact CCTA.
3. If CCTA is contacted by a subcontractor regarding possible violation of the prompt payment clause by the Contractor, we will make inquiries to the Contractor. Depending on the response from the Contractor, CCTA may implement the sanctions/consequences listed in the above section.
Legal and Contract Remedies

In the event a Contractor fails to comply with its stated contract goals, and cannot show that a good faith effort has been made to do so, CCTA shall initiate the following actions:

1. If any findings are discovered during the process of fulfilling the contract are deemed to be fraudulent or dishonest conduct in connection with the DBE program, CCTA will notify the Department of Transportation’s Inspector General, who in turn under 49 CFR 26 may sanction criminal prosecution, action under suspension and debarment or Program Fraud and Civil Penalties rule provided in 26.109.

2. CCTA will also consider similar action under our own legal authorities, including responsibility determination in future contracts. Such actions can include termination for default or prohibition from bidding on future CCTA contracts.

Monitoring and Enforcement Mechanisms

Contractors must maintain records and documents of payments to DBEs for three years following completion of the performance of the contract. These records will be made available for inspection upon request by any authorized representative of CCTA or DOT. This requirement also extends to any certified DBE subcontractor.

DBE Financial Institutions

CCTA encourages the Contractor to use the financial service institutions owned and controlled by socially and financially disadvantaged groups. CCTA maintains a list of such institutions and will provide it to any contractors interested in utilizing them.

The Contractor will include the above statements in this section in all subcontracts over $10,000.

25. (Intentionally Omitted)

The contractor agrees to comply with all requirements of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e, and 49 U.S.C. § 5332 and any implementing requirements FTA may issue. Those equal employment opportunity (EEO) requirements include, but are not limited to, the following:

The Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, sex, disability, age, or national origin. The Recipient agrees to take affirmative action to ensure that applicants are employed and that employees are treated during employment, without regard to their race, color, creed, sex, disability, age, or national origin. Such action shall include, but not be limited to, employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor also agrees to comply with any implementing requirements FTA may issue.

Such approval may be withheld at the sole discretion of CCTA. Contractor shall advise CCTA before entering into any subcontract in relation to this contract and shall not enter into any subcontract to which CCTA has made timely objection. All subcontracts shall be in writing and each subcontractor shall, to the extent of the work or services to be performed by the subcontractor, assume toward the contractor all of the obligations and responsibilities that the contractor, by this contract, assumes toward CCTA. As used in this contract, the term “contractor” shall mean the contractor and any of its subcontractors. Nothing in this contract shall be deemed to establish a contractual relationship between a subcontractor and CCTA.

Notwithstanding the foregoing, Contractor may enter into subcontracts with other parties to perform specific tasks or portions of the work required under this contract, but Contractor may not assign or transfer Contractor's obligations to CCTA for the overall management, oversight, and completion of the work required hereunder.
