# PASSENGER CODE OF CONDUCT

The following code of conduct will be enforced to ensure that all passengers have a pleasant ride while using our services.

For your safety and good health, smoking is prohibited on all buses. Bus operator shall inform passengers in a courteous, but firm manner that smoking is prohibited on the bus.

Federal regulations prohibit the operation of any bus with passengers standing ahead of the white line.

Passengers are prohibited from disturbing other passengers and the bus operator. Bus operators should courteously request that the offending action cease. Examples of such disturbances include, but are not limited to: excessive noise, throwing objects, physical violence, offensive behavior and speech, public intoxication, and harassing behavior.

Articles which, because of their size or the nature of their contents, may be dangerous to passengers shall not be allowed on the bus. Articles prohibited on all buses include but are not limited to:

>car batteries

>gasoline, kerosene or any other flammable liquid

>weapons, including but not limited to guns or knives

>illegal drugs

>open containers of alcohol

>animals, other than service animals for the disabled, except those animals that can safely be carried in a closed and secured bag or carrier

>any article that cannot safely be held by a passenger or stored underneath a seat that could have the potential to hurt another passenger if it were to collide with that passenger during an unscheduled stop

In an effort to keep the buses clean, passengers are prohibited from having uncovered drinks and messy foods on the bus. Drinks with sealed lids are permitted given that you take the container with you when you leave.

Passengers are prohibited from soliciting the sale of goods/services on all buses.

Passengers are required to be wearing appropriate attire while riding the bus (i.e. shirt, shoes, etc.). Patrons that do not have proper attire will be removed from the bus or denied access to the bus.

For your safety, passengers are prohibited from throwing objects from the bus, or sticking anything, including body limbs out of the bus window.

It is a serious health risk to all passengers to allow patrons whose bodily fluids are exposed to ride the bus. Passengers who are experiencing this condition will be removed from the bus or denied access to the bus. This includes, but is not limited to bodily eliminations, spitting and blood.

Passengers are prohibited from performing any personal hygiene task while riding the bus (i.e. Clipping fingernails, toenails, putting on perfume, etc.).

Passengers may not place advertisements on the inside or outside of buses, nor may they remove or deface those placed on the buses by authorized representatives of the company.

Passengers are prohibited from taking up multiple seats when the bus is nearing capacity. Bus operators will inform passengers in a courteous, but firm manner to move their belongings to their lap or the underneath of their seat.

Passengers are prohibited from playing musical devices on all buses, unless headsets with reasonable volume are being used.

Designated seats at the front of the bus are reserved for seniors and persons with disabilities. We strongly encourage passengers to surrender these seats to those customers when they board or when asked to by the bus operator.
